WHO WE ARE

The ingredient *behind the brand*

"If you can specify it, we can make it."

MRG Nuts cuts, mills and pastes nuts, dried fruit and seeds for India's best known ice cream, bakery, snack and mithai makers, from our plant near Jaipur.

Tell us the cut, the size and the roast. We make it the same way, every lot.

01 **Every form**

From the whole kernel to a 20 micron paste, cut, milled or pasted under one roof.

02 **Your specification**

The cut, the size, the roast and the texture you write down, held lot after lot.

03 **Certified**

FSSC 22000 by TÜV NORD, ISO 22000, HACCP, Halal and Kosher, and a SMETA audit.

04 **Checked before it leaves**

Every lot is checked against its written specification before despatch.
